REPORT OF INCOME

On the following pages are listed the income from each individual fund and the apportionment added to the principal of each cemetery fund from sale of securities. These individual cemetery funds have not been listed in detail since 1967, and because of the extra pages of printing required, it is planned to reproduce this list only every five years.

Also on the following pages are listed the dividend or interest received from each stock, bond, or savings account held by the Trustees in the name of the Town. These following pages should be considered a part of this report.

Report of the Forest Fire Warden and District Chief

The 1970 forest fire season was a quiet one in this area, quiet in part because of your continued cooperation and favorable weather conditions.

Fires that did occur were, for the most part caused by debris burning, children and smokers.

The elimination of these three causes of forest fires would drastically change this picture-to bring about this change we make the following suggestions:

1. When the ground is not covered with snow a permit to burn must be obtained from the Forest Fire Warden. This permit covers waste burning, even if in an incinerator, grass burning as well as garden trash and brush burning such burning is restricted by regulation to prior to 9:00 A.M. and after 5:00 P.M. with following exceptions:
Commercial or Industrial burning is permissible at any time under normal conditions but only with the approval of the District Chief and a written permit from the Forest Fire Warden.
2. Fires caused by children can be prevented only with the complete cooperation of parents ;in the supervision of their children, keep matches out of reach of children, this action will help to prevent fires and may save a life, the life of your child. Try to explain this to your child, won't you?
3. Forest fires caused by smokers can be reduced in number by the exercise of more care in the discarding of matches and smoking material whether from a vehicle or by a hiker. In all cases, make sure that the butt or match you discard is out, dead out. Smokey says, "Thanks for your help", and invites you to join with him in setting a good example for others in the prevention of fires and the protection of our environment.

Number of fires reported and acres burned:

STATE	484 fires	244 acres
DISTRICT	33 fires	32 acres

Report of Police Department

To the Honorable Board of Selectmen and Voters of Winchester:

I herewith submit my report from January 1, 1970 through December 31, 1970.

Crime is on the increase everywhere. This means many hours are spent by your Police Department to take care of the bad. Many hours are spent preventing crimes by routine patrol besides investigations of one crime or another. We would like some help from you, the voters.

If you see something suspicious or out of the ordinary please call 239-4814 (if no answer) 352-1100 and report to your police. No names required on this. "Remember next time it could be your property in question under the eyes of your neighbor."

Following is a summary of cases which have been investigated and arrests which have been made by the Department during the year.

Winchester District Nursing Association, Inc.

JANUARY 28, 1971

Our Association has had a successful year under the direction of Nancy Symington, our nurse. Byrdis Hodgman received her certification as a qualified Home Health Aid at a course in Springfield, Vt. during the summer.

The town of Richmond bought into our service as of April 1, 1970 at the rate of \$600.00 per year. Two representatives from that town are on our council.

I wish to thank all those who helped to make this such a good year and hope that more people will avail themselves of our service and become interested in the association.

Respectfully submitted,
Vernon Jones, President

ANNUAL REPORT OF THE DISTRICT NURSE

1012 visits were made for the year 1970

* New Pumping Station

Due to delay on materials, the new well was not quite finished before cold weather.

A few working days in the Spring will make it completely ready for use. The new gravel-packed well has test-pumped at 950 G. P. M. Water analysis is very good.

The new pump will deliver 500 gallons per minute under full pressure.

DIRECTOR OF RECREATION

E. L. M. COMMUNITY CENTER, WINCHESTER, N. H.

REPORT FOR YEAR 1970

1. Upon request of the Board of Trustee's at the Community Center I returned as full time recreation director of the center on June 22 of 1970.
2. Organized and directed a summer day camp program. Some 55 children received Red Cross Swimming Awards. I wish to express my thanks for all the help that I received from Mr. Parkhurst on the water safety program, Mrs. Tacy of Ashuelot for the help in conducting a musical production, Mrs. Coffin who gave of many hours in extra help, and last but not one of the most important factors in this successful program was the free help given by 15 Thayer High School Students . . . Many Thanks Students.
3. Many thanks to the coaches of the boys baseball teams, Mr. Guilmet and Mr. LaPoint, and all the adults who helped.
4. I wish to express my gratitude to members of the Highway, Police and Fire Departments who have helped to make the operation of the Community Center a success.
5. The winter program is in operation which includes adult bowling leagues, Senior Citizens every Wednesday, Adult Ceramics on Monday Nights, Weekly Teen Age Dances, Teen Age Boys Wrestling and Boxing, High School and Grammar School Bowling Leagues with School Meets, the Skating Rink is flooded and in operation.
6. At present I do a 5th and 6th Grade Boys and Girls gym program on Mon. and Wed. Mornings.
7. I help Eddie Ford with basketball and think we all owe him a lot for the time and effort that he gives of so freely for our youth. Many thanks Eddie Ford.
8. The help that I have received from Mr. McNamara and Mr. Moran have made my contacts with the school children possible. Also the generosity of Mr. Harris has made the transportation of the children in my programs possible.
9. I intend to form a Teen-Age Advisory Council to help me in the planning of future recreation programs. Any suggestions that any person in the Town may have that will help me in the performance of my duties as director of recreation is more than welcome.

Yours for recreation,
George K. Bruso
Director of Recreation

Report of an Audit and Examination of the Accounts of the Town of Winchester

For The Fiscal Year Ended December 31, 1970

Winchester, New Hampshire
January 31, 1971

Board of Selectmen
Town of Winchester, New Hampshire

Gentlemen:

The report of the audit of the records and books of the Town will be on file in the office of the Selectmen. As auditors, we have submitted recommendations for better procedure and for clarification of records.

In the interest of economy we request that you publish only the scope of our audit and the certification in the Town Report.

SCOPE OF AUDIT

Our audit and examination has included the accounts and records of the following: Board of Selectmen, Town Treasurer, Tax collector, Town Clerk, Highway commissioner, Water department, Town beach Treasurer, library Treasurer, Ambulance Service Treasurer, Trustee of Trust Funds, and the Fire Departments.

AUDIT PROCEDURE

We have compared vouchers and cancelled checks with the invoices and supporting payrolls. Books of record have been checked, Receipts from sources have been checked as far as possible and bank balances verified by statements from depository banks. Notices have been sent to delinquent taxpayers to verify the amount of unpaid taxes, as indicated by the records of the tax collector.

CERTIFICATION OF AUDIT

This is to certify that we have examined the books and records of the Town of Winchester for the fiscal year ended December 31, 1970, and have found them to be in good order except as noted. To the best of our knowledge and belief, the financial statements and summaries reflect the true financial condition of the Town for the period under review.

We wish to extend our thanks to the officials of the Town for their co-operation and courtesy during the audit of the books and records.

Sincerely,

ELIZABETH LADD
ARLENE C. MANNING
RICHARD L. BENNETT

During National Library Week we exhibited art work of the students of Mrs. Ladam, Thayer High School. Books on various phases of art accompanied the display. Several weeks later, Michael Byrne, one of the students displayed some of his work — oils, water colors and pastels. Michael is now a student at the Paier School of Art in Hamden, Conn.

This year, the State Grant-in-Aid money was used to help purchase the 1970 edition of the World Book Encyclopedia. We also purchased a 15-volume Encyclopedia of U. S. History and a 10-Volume Book of Popular Science.

Several new volumes have been added to the Memory Shelf — Oil Painting, Step-by-step; The American Heritage History of the Thirteen Colonies; and Delieb's Silver Boxes.

Undoubtedly, the most exciting thing that has happened to us in many a year, is the contribution of \$6000 from an anonymous donor, to redecorate the rooms upstairs for the purpose of a museum, particularly of items pertaining to Winchester. The work is now under way and we hope by early summer the museum will be open to the public. Contributions of articles and pictures pertaining to Winchester history will be gratefully accepted.

Mrs. Perry and I attended the 2-day New Hampshire Library Association Annual meeting at the Sheraton-Wayfarer in Bedford, N.H. I have attended the quarterly District Advisory Council meetings — two in Keene, one in Harrisville and one in Sunapee. I was appointed Southwest Area representative to the New Hampshire Library Association Executive Board and have attended three of these meetings in New Hampton, Concord and Guilford. It is very thrilling to be active in statewide programs and being a part of shaping the future of New Hampshire Libraries.

Respectfully submitted,

Edith W. Atkins

REPORT FOR THE 1970 SEASON:

This year an unfound rumor was circulated in this area that the waters of Forest Lake had a high bacteria count of germs causing pollution. This rumor was found untrue by the Town Health Officer who periodically tested the water and found a low bacteria count of vegetable microorganisms which are not harmful.

Because of these rumors and some bad weather we had a lower attendance of 25 percent compared to the year of 1969.

We were very fortunate to employ Mr. Henry Parkhurst as a senior life guard, as he is also the Red Cross safety instructor for Cheshire County. Mr. John Needham and Mr. Gary Schultz aslo assisted Mr. Parkhurst by working the weekends. We found that the skills applied by these life guards were effectual in running a safe beach with no accidents for 1970.

Because of the low attendance the Concession Building was only open on Friday, Saturday, and Sunday each week, plus Friday nights to accomodate the teenagers who attended the dances on the patio. These dances were run by Mr. Bruso of the Community Center and every one enjoyed these outside activities.

Vandalism was chief problem at the Town Beach and Town Hall this year. Four separate breaks were the cause of expensive repairs on the buildings, plus damage to machinery and the loss of stock in trade.

All receipts and expenditures were handled by the Park Treasurer. All finances were raised by members of the Park Commission, plus the Town was reimbursed for the wages to the lifeguard who is a Town Employee.

Respectfully submitted,
R. A. Stephens

THE STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the school district in the town of Winchester qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the thirteenth day of March, 1971, at 1:00 o'clock in the afternoon to bring in your votes for the election of the following officials:

1. A moderator for the ensuing year.
A clerk for the ensuing year.
A member of the school board for the ensuing three years.
A treasurer for the ensuing year.
Two auditors for the ensuing year.

Polls open at 1:00 P. M. on March 13, 1971, and close not earlier than 4:00 P. M. on March 13, 1971.

You are further notified to meet at 2:00 P. M. on March 13, 1971, at the Town Hall to act upon the following subjects:

2. To receive the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

3. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of statutory obligations of the district.

4. To see if the district will vote to authorize the School Board to apply for, to accept, and to expend, on behalf of the district, any or all grants or other funds for educational purposes which may now or hereinafter be forthcoming from the United States Government or from the State of New Hampshire.

5. To see if the District will vote to authorize the School Board to sell the land and building known as the Ashuelot School, Ashuelot Village, Winchester, New Hampshire, either at public auction or by soliciting bids for the same, and in the event the price offered for the same is insufficient in the opinion of the School Board, to authorize the School Board to convey the same to the Town of Winchester for such price and upon such terms as the School Board shall determine.

6. To see if the District will authorize the School Board to sell the land and building known as the Center School, Winchester, New Hampshire,

either at public auction or by soliciting bids for the same and in the event the price offered for the same is insufficient in the opinion of the School Board to authorize the School Board to convey the same to the Town of Winchester for such price and upon such terms as the School Board shall determine.

7. To see if the District will vote to raise and appropriate the sum of fifty thousand dollars (\$50,000.00) for the purpose of purchasing from the New England Lumber Company a tract of land of approximately 54.8 acres in Winchester, New Hampshire and to authorize the School Board to apply for State and/or Federal funds and to use the same, if obtained, to apply toward the purchase price of such land, and to authorize the School Board to commit the use of such land in such manner as the School Board may deem necessary or advisable in order to obtain such funds, and further to authorize the School Board to enter into such contracts or agreements and to sign such documents as the School Board may deem necessary or advisable with the State of New Hampshire and/or the United States of America, or an agency or agencies thereof, in connection with the application for, receipt of or use of such funds.

8. To see if the District will vote to raise and appropriate the sum of four thousand dollars (\$4,00.00) for the purpose of authorizing the School Board to secure the services of an architect in order to provide preliminary plans and cost estimates for erecting a gymnasium-auditorium addition to the present Thayer School building, and for reconstructing or altering the present Thayer School building, or take any action thereon.

Given under our hands at said Winchester this 11th day of February, 1971.

Administrators' Report

This report combines the accounts of the school principals and superintendent. It presents the views of those administering your schools hopefully without unnecessary duplication. While it is not intended that the scope of this report is to be all inclusive, an attempt will be made to summarize various pertinent areas of the educational program.

It is right that we should take stock of our educational achievements from time to time and that we should measure them honestly and objectively against our ideals and ambitions. We expend great effort and resources in order that our young people shall have the opportunity for the educational experience that our complex technological society requires. Therefore, the people have the right to expect the schools to be held accountable for the progress that is being made in return for their support.

ELEMENTARY SCHOOL

ENROLLMENT

September enrollment at the Elementary School was down slightly from the previous year. First day figures were 379 but rose steadily throughout the Fall and as of December 31 we counted 398.

School	Grade						Sp.	Ed.	Total
	1	2	3	4	5	6			
Ashuelot	11	10	13	9				15	58
Center	54	49	54	29					186
Thayer Elementary				31	59	64			154
Totals, Dec. 31	65	59	67	69	59	64	15		398

STAFF

Staff changes are as follows: At Ashuelot School, Mrs. Rollins, Grades 1-2, resigned in June and was replaced by Miss Dianne Roe who also resigned in mid-fall. Mrs. Jane Rokes was elected as replacement and is now the teacher of grades 1 and 2. At Center School, our staff remained the same. At Thayer Elementary, Mrs. Jean Pease, teacher of grade 4, resigned and Mrs. Rosanne Stevens was elected as replacement.

Our Remedial Reading teacher, Mr. Richard Boutwell, resigned and Mr. Robert Fuller was secured as reading supervisor and as remedial reading teacher.

CURRICULUM

The entire reading program is being reviewed but with particular emphasis on the lower grades where reading techniques really begin. Materials have been added and some deleted. We hope problem readers will be located earlier, even at the first grade level and remedial techniques applied. Reading is so much a key to the whole educational process that we are

committing considerable time, effort and money in not only reading, but the entire Language Arts area.

Speech and language therapy is being provided by Mr. John Stewart who comes to Winchester twice each week. Aids under his direction provide follow-up help. This program is funded under Title I ESEA 89:10 and is a broadening of a similar program last year.

We have made wide use of the services of Mr. Fred Krell, school psychologist, who comes to us every other week and is concerned with learning problems and disabilities with all their ramifications. A team approach is used, utilizing all our school personnel.

OTHER ELEMENTARY ACTIVITIES

On a lighter side, the children have been out on short field trips about town and in Keene. A public performance called "April Showers" and our Christmas programs were well attended.

We look forward to moving into our new elementary school building now nearing completion. The move is contemplated before Spring. We can see a new kindergarten hopefully next Fall and a new era in education will have begun in Winchester.

SECONDARY SCHOOL

ENROLLMENT

Enrollment for the school year 1970-71 as of December 31, 1970, is as follows:

Grade 7 - 49	Grade 10 - 53
Grade 8 - 59	Grade 11 - 46
Grade 9 - 48	Grade 12 - 39

STAFF

Only one faculty change was necessary this year, Mr. Kingsly Locke who replaced Mr. Antonio Santos as music director. Mrs. Muriel Ivanov-Rinov was added to the faculty as an English teacher and librarian.

SPACE NEEDS

It is hoped that before very long the new elementary building will be completed and the fourth, fifth, and sixth grades will be vacating the high school area giving us more badly needed room. Added space will enable us to enlarge our library, add to our staff, offer more courses, etc.

We are grateful for the use of the Town Hall for our basketball games and practices over many years but we are slowly being looked upon as having poor and obsolete facilities. This has posed a big problem in scheduling games by schools hesitating and sometimes refusing to play under these conditions.

Adequate gymnasium space as well as physical education program has

become an important minimum standard requirement and we must soon take steps toward meeting these requirements.

GRADUATES

CURRICULUM

The freshmen drafting class in the Industrial Arts Program is progressing very well this year and it should be noted that we have one female student who has the potential to become an outstanding draftsman.

An additional used Sheldon machine lathe was purchased from Monadnock Regional High School last spring. It has become an outstanding addition to the eleventh grade metals program.

In the senior electricity-electronics course a new DeVry automatic electricity trainer was added to the program. This equipment will make it possible to offer a broader program for the students.

Three seniors have received notification of acceptance at one of the New Hampshire two year technical institutes.

The band performed in the Firemen's Muster parades in Brattleboro, Keene, and locally, in the Memorial Day parade, and in Veterans' Day ceremonies. Both the band and chorus performed in the annual Christmas Concert and Spring Pops Concert.

Group guidance classes in grade 7 have been concentrating on personal assessment. They have discussed their attitudes, interest, personality, and other matters relative to a more thorough understanding of themselves. Much of the time, thus far, has been spent in counseling seniors for both educational and vocational placement after graduation. More than 50% of the guidance office's time is spent in individual counseling which includes personal, educational, and vocational areas. This type of counseling is provided for grades 7-12.

The testing program included the following:

Administration of 8th Grade Testing to 59 students (Otis Lennon Mental Ability Test and Stanford Achievement Test)

Sophomore Testing Program (School and College Ability Test, Cooperative English Tests, and Stanford Math Test) to 53 students

General Aptitude Test Battery through the N. H. Office of Employment Security to 24 seniors.

Preliminary Scholastic Aptitude Test for 14 juniors, 1 senior.

National Merit Scholarship Qualifying Test to 8 juniors.

Scholastic Aptitude Tests to 11 seniors.

National Educational Development Test to 31 ninth grade and 2 tenth grade students.

INTERNAL ACCOUNTS

The record of cash on hand as of December 31, 1970, for classes and clubs is:

Class of '71	\$1,890.30
Class of '72	919.52
Class of '73	450.36
Class of '74	230.75
Class of '75	143.95
Class of '76	13.75

Year Book	272.76
General Fund	250.14
Student Council	414.37

FINANCES

The budget proposed for the fiscal year 1971-72 represents a 12.9% increase. This increase is due mainly to an increase in instructional salaries brought about by additional staff needed as a result of the new building program and an approximate six percent increase in salaries. Instructional salaries comprise 9.5% of the increase in the budget. The rest of the budget increases by 3.4%

In analyzing the budget, it can be seen that sixty-six percent of the budget is spent instructing the young people. Over seventeen percent of the school budget is needed to pay for the debt service and fixed charges which the law requires. In order to operate and maintain \$983,000 worth of buildings and contents, six percent of the budget is required. Another four percent of the budget is used to transport the children. We have used up ninety-four percent of the budget leaving six percent to pay for everything else.

The illustrations which follow on pages 198 & 199 attempt to show more clearly where the money needed to support the schools comes from and how the budget dollar will be spent.

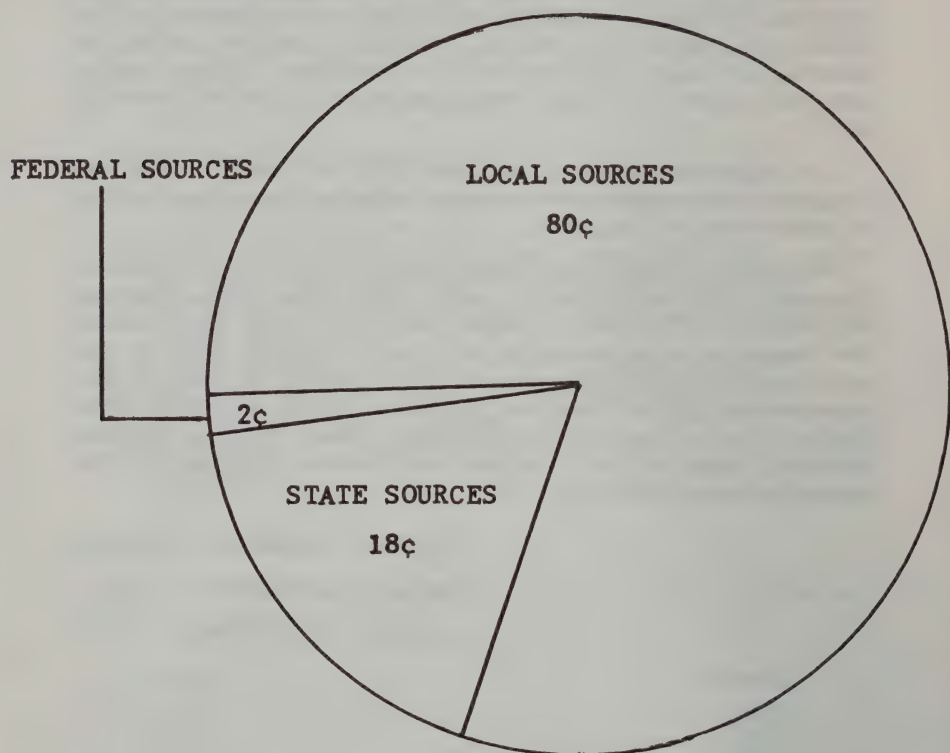

The property tax base which supplies eighty percent of the revenue in Winchester is not broad enough to tap the total wealth of the population within the state. The rates of taxation required to operate the schools in New Hampshire are as inequitable and diverse as is the quality of education among the districts. In districts low in property tax resources, disproportionately high tax rates are required to support a minimal school program. The tax burden on the individual property owner is becoming intolerable. Unless the state's present fiscal structure is changed, it will become even more intolerable.
